# Preliminary Conference Announcement and Call for Papers

Following on from the inaugural MONFORMA event in 2009, the Department of Accounting and Finance at Monash University is pleased to announce that MONFORMA 2010 will be running on Thursday 25 and Friday 26 November 2010 in Melbourne, Australia.

For MONFORMA 2010, we are inviting researchers to submit papers for presentation. Complete research papers can be submitted in any topic area of management accounting/management control. As well as having sessions where papers are presented by more experienced academics, we will also be having a session devoted to paper presentations by Early Career Researchers, which we define for the purposes of MONFORMA as any researcher who has not yet completed a Ph.D, or has completed a Ph.D within the last three years.

The submission deadline for papers for MONFORMA 2010 is Monday 12 July 2010.

Papers for MONFORMA 2010 should be submitted in PDF format by email to [MONFORMA.aaf@buseco.monash.edu.au](mailto:MONFORMA.aaf@buseco.monash.edu.au). The covering email should contain the title of the paper and author contact information. Additionally, if you wish your submission to be considered for the Early Career Researchers session, please indicate this in your covering email. The PDF file should contain no information identifying authors in order to facilitate the blind review process. Papers should conform to the style guides of *Accounting, Organizations and Society*.

There is no submission fee for submissions to MONFORMA 2010.

All papers will be blind reviewed, and authors will be informed of paper acceptance/rejection by 15 September 2010.

Please put these key dates in your diary. More details will be provided as to plenary speakers, etc, early next year. We hope to see you at MONFORMA 2010!
