## Anthony Howard Harris

### Qualifications

UNIVERSITY OF EDINBURGH

M.A. Upper second class joint Honours in Economics and Economic History, 1975

UNIVERSITY OF OXFORD Keble College

M.Sc. in Agricultural Economics, 1977.

Citizenship: Australian

Email: [anthony.harris@buseco.monash.edu.au](mailto:anthony.harris@buseco.monash.edu.au)

### Employment

2004-

Associate Professor and Deputy Director, Centre for Health Economics, Monash University

1994-2004

Senior Lecturer in Economics, and Assistant Director (Teaching) Health Economics Unit  
Monash University

1990-1994

Senior Lecturer in Health Economics, Murdoch University, Economics Department and The  
University of Western Australia, Department of Public Health

1988-89

Visiting Teaching Fellow, Murdoch University, Western Australia

1978-1990

Lecturer in the Department of Economics, University of Aberdeen

1977-78

Research Assistant in the Department of Political Economy, University of Aberdeen

---

# **ANTHONY HARRIS**

**—** CURRICULUM VITAE

## **Professional Activities**

Member of the Commonwealth Steering Committee on the Evaluation of PET and SPECT Imaging Technologies, 1993

Policy advisor to the Health Department of Western Australia on a number of issues including Resource Based Relative Value Based Payments for VMO's, the introduction of lithotripsy, the use of teleradiology, swimming pool fencing legislation 1991-94

Member of the Australian Council on Smoking and Health Taxation Working Group, 1993/94

Member of Economics Society of Australia

Member of the Health Economics Society of Australia

Assessor for PHRDC and RADGAC research grant applications

Referees for journals including the Australian Journal of Public Health, Economic Analysis and Policy, Australian Journal of Health Promotion, Medical Journal of Australia

Member of the Economics Sub-committee of the Pharmaceutical Benefits Advisory Committee, 1996-2001

Member of the AHTAC working party on MRI services, 1996

Economic advisor to the Division of Population Health, Department of Health and Aged Care Canberra 1999-

Editor of Economics and Health, Proceedings of the Australian Conference of Health Economists 1995-1998

Member of the MRI Evaluation Group, Department of Health and Aged Care 2001

Member of the Commonwealth Inquiry into Radiation Oncology Services, 2001/2

Member of Commonwealth review of OzFoodNet, 2002

Member of Pricing Advisory Group of the Drug Utilisation Sub-Committee of the Pharmaceutical Benefits Advisory Committee 2003

Advisor to Single Machine Radiotherapy Evaluation Project Department of Human Services Victoria 2003-2005

Member National Blood Authority Product Evaluation Committee 2006

Member Review Panel PBAC 2006

CURRICULUM VITAE

## TEACHING EXPERIENCE

### Undergraduate lecture courses organised and delivered

**1st year:** Introductory economics: various lectures as part of a one year course in microeconomics and macroeconomics. (150 students, University of Aberdeen)

**2nd year:** Intermediate economics: lectures on macroeconomics as part of a one year intermediate course in economics. (100 students, University of Aberdeen)

The Economics of Social Policy: a one semester course to 2nd and 3rd year undergraduates in the microeconomics of the Welfare State. (35 students, Murdoch University)

Public Economics: a one semester course to 2nd and 3rd year economics students in public finance, public enterprise economics. (40 students, Murdoch University)

Issues in the Economics of Health Care: a one semester second year subject (40 students ECC2700 Monash University 25% contribution)

### 3rd and 4th year

**honours:** Industrial Economics: one term series of honours lectures on the economics of industrial organisation. (30 students, University of Aberdeen)

Environmental Economics and natural resources: half of a two term honours course on the economics of mining, fisheries, and the oil industry including the economics of pollution and environmental policy. (30 students, University of Aberdeen)

Post-Keynesian economics: a two term honours course on the microeconomic foundations and macroeconomic analysis of Post Keynesian Economics. (10 students, University of Aberdeen)

The Economics of Social Policy: half of a two term honours course in the economics of health and social policy given with the Health Economics Research Unit (10 students, University of Aberdeen)

Advanced Microeconomics: a one term course to 4th year honours covering consumer theory, the theory of production and cost, general equilibrium, and public choice theory. (30 students, University of Aberdeen)

Cost Benefit Analysis: a one term honours course in the practice and theory of cost benefit analysis. (30 students, University of Aberdeen)

---

## CURRICULUM VITAE

Welfare Economics and General Equilibrium: one third of the one semester Advanced Microeconomics course to 4th year honours students. (35 students, Murdoch University and Curtin University of Technology)

Economics of Health and Health Care: a one semester course given to 4th year honours students covering the theory of health demand and supply, economic evaluation in health care, and comparative systems of health care finance. (3 students, Murdoch and Curtin University)

### Post-graduate lecture courses and supervision

*University of Aberdeen: MPhil in The Economics of Natural Resources*

Lectures in environmental economics to economics graduates.  
Supervision of a number of postgraduate MPhil research students in environmental economics

*University of Western Australia: Master of Public Health*

Lecture course in Health Economics  
Lectures within courses on Clinical Epidemiology  
Supervision of dissertations for MPH and consultancy to PhD students  
Consultancy on economic evaluation to clinicians and public health staff members

*Monash University*

Co-ordinator of the PostGraduate Diploma in Health Economics 1994-  
Co-ordinator of the Graduate Certificate in Pharmacoeconomics 1999-  
ECX9100 Pharmacoeconomics  
ECC4870 Health Economics  
ECC4990 Economic Evaluation of Health Services  
ECC4000 Aspects of Applied Health Economics  
ECC5870 Advanced Health Economics  
ECX 9730 Economic Evaluation in Health Care  
ECX9750 Principles of Health Economics for Developing Countries

*Postgraduate supervision of  
Completed*

## CURRICULUM VITAE

MEc Karen Kah Leng YONG: “Cost and Efficiency in Victorian Hospitals: A Stochastic Frontier Approach”

MEc Trefor JONES: “Willingness to pay for health care – social or private decision”

Occasional lectures to undergraduate medical students and MPH clinical epidemiology

*Current*

PhD Edvaldo de SA “A model of regional health care in Australia”

### Short Courses in Health Economics for Health Professionals

One week intensive short courses in health economics for health professionals in 1991-1993.  
Perth WA

One day course in health economics at Princess Margaret Hospital, WA

Two day course in health economics for the Kimberley and Pilbara Regions in Broome in 1992.

Priority Setting in Health Care three day workshop for the South Australian Health Commission, 1996

Economic analysis alongside clinical trials one day workshop for the pharmaceutical industry, Melbourne and Sydney, 1995, 1996

Certificate in Health Economics by Distance Education, Monash University (six month course of five units): Seminar co-ordinator 1994 and 1995 and author of Unit 5

One day course in health economics Department of Health and Ageing 2003- 2004

### Other short courses for professionals:

Lectures in the annual two week course in Environmental Impact Assessment, Centre for Environmental Impact Assessment, University of Aberdeen 1986-88

Lectures in the annual short course in health economics. Centre for Health Economics Research and Evaluation, University of Sydney, Westmead Hospital Sydney, 1991

---

## CURRICULUM VITAE

From 1990-

An economic evaluation of alternative community interventions to prevent osteoporosis.

*A Harris, R Prince*

Commonwealth Department of Health and Community Services, RADGAC 1990-91

The property damage costs of road crashes in Western Australia

*A Harris, M Giles D Hendrie*

Australian Road Research Board 1990 -1992

The linkage of Accident and Emergency Records in Sir Charles Gairdner Hospital with the Road Accident Prevention Research Unit Database.

*A Harris, R Cercarelli and D Rosman*

Federal Office of Road Safety 1991-1992

Epidemiological and economic evaluation of new medical and surgical treatments of coronary heart disease.

*K. Jamrozik, M.S.T. Hobbs, A Harris, P. Thomson, Department of Medicine, University of Western Australia.*

PHRDC 1991-1993

Cost effectiveness of bicycle safety programmes in WA

*A Harris*

Healthway (WA Health Promotion Foundation) 1992-1995

The burden of haemophilus influenzae type B and an economic appraisal of a vaccine.

*A Harris, D Hendrie, C Bower, J Payne, N de Klerk, F Stanley*

Merck Sharp and Dohme 1992

Aboriginal Road Crashes in Western Australia

*A Harris and LR Cercerelli*

Federal Office of Road Safety, 1993

The Costs of Osteoporosis

*A Harris*

Merck Sharp and Dohme, 1995

An Economic Evaluation Of The National Cervical Cancer Screening Programme 1990 to 1993

*A Harris and MK Scott*

Department of Human Services and Health, 1995

Cost effectiveness of road safety interventions

*R Clark, A Harris, D Dunt*

Federal Office of Road Safety, 1995

---

## CURRICULUM VITAE

Economic analysis of oesophagitis drugs alongside a clinical trial.

*Anthony Harris, Steve Crowley, Darren Wraith*

Wyeth, 1995

Cost effectiveness of a pharmacist on an ACAT team

*Jenny Callaghan, A Harris, I Story, R Helme*

PHARM Department of Health and Family Services, 1996

Cost effectiveness alongside KIR-9431 Trial – Glioma

*Anthony Harris, Steve Crowley*

Kirin, 1996

Cost effectiveness analysis of hormone replacement therapy and lifestyle intervention for hip fracture

*Anthony Harris*

Sanofi Winthrop, 1996

Cost effectiveness of a drug for vaginitis

*Anthony Harris, Steve Crowley*

Nova Nordisk, 1996

Cost effectiveness of a pharmacist on an ACAT team

*J Callaghan, Anthony Harris, Ian Story, R Helm*

PHARM Department of Health and Family Services, 1996

Cost effectiveness alongside KIR-9631 Trial – Acute Myeloid Leukemia

*Anthony Harris, Steve Crowley*

Kirin, 1997

Cost effectiveness alongside clinical trials – Migraine

*Anthony Harris, Steve Crowley*

Glaxo, 1997

Management of nausea and vomiting associated with radiotherapy

*Anthony Harris, Steve Crowley*

Glaxo, 1997

PBAC full submission on anti-revisional drug (HIV/AIDS)

*Anthony Harris*

Boehringer Ingolheim, 1997

Data collection and survey on management on genital warts

*Anthony Harris, Catherine Streeton*

Smithkline Beecham, 1997

---

# ANTHONY HARRIS

---

## CURRICULUM VITAE

Literature Review of Monetary Valuation of Health Benefits

*Anthony Harris, Richard Smith, Jan Abel Olsen*

Pharmaceutical Benefits Branch, Dept of Health and Family Services, 1997

PBAC submission on drug for hypertension

*Anthony Harris, Catherine Streeton, Darren Wraith*

Boehringer Ingelheim, 1997

Cost effectiveness of alternative treatments for heroin addiction

*A Harris with Turning Point*

Turning the Tide, Victorian Government, 1997-2000

Literature Review of Monetary Valuation of Health Benefits

*A Harris, R Smith, JA Olsen*

Pharmaceutical Benefits Branch, Department of Health and Family Services, 1998

Cost of local government provision of immunisation services

*A Harris, E Gospodarevskaya, D Dunt, C Streeton, J Thomson*

Department of Human Services, Victoria, 1998

PBAC submission on cost effectiveness analysis of a whole cell vaccine

*Anthony Harris, Steve Crowley, Darren Wraith, John Defina*

Smithkline Beecham, 1998

Cost effectiveness of a drug to prevent heart failure

*Anthony Harris, Steve Crowley, Catherine Streeton*

Smithkline Beecham, 1998

PBAC submission on cost effectiveness and study of WTP and QoL for drug treatment of incontinence

*Anthony Harris, Catherine Streeton, Darren Wraith*

Pharmacia & Upjohn, 1998

PBAC submission on cost effectiveness analysis for drug for depression. Increased effectiveness for refractory patients.

*Anthony Harris, Darren Wraith*

Wyeth, 1998

PBAC submission on QoL study of Kaposi's Sarcoma and cost effectiveness model of drug

*Anthony Harris, Catherine Streeton, Helen McNeil*

Schering Plough, 1998

PBAC submission on cost effectiveness analysis on drug for osteoporosis, for patients with low bone mass defined as osteoporotic

---

# ANTHONY HARRIS

---

## CURRICULUM VITAE

*Anthony Harris, Darren Wraith*

Merck Sharp & Dohme, 1998

On the collection of illicit drug treatment cost data.

*Anthony Harris, Elena Gospodarevskaya.*

NDARC, 1998

Cost of local government provision of immunisation services

*Anthony Harris, Elena Gospodarevskaya, David Dunt, Catherine Streeton, Jenny Thomson*

Department of Human Services, Victoria, 1998

Cost effectiveness of drugs for migraine and influenza

*Anthony Harris*

Glaxo, 1999

PBAC submission on cost effectiveness analysis of drug for treatment of hypothalamic pituitary dysfunction presenting with either oligomenorrhoea or amenorrhoea

*Anthony Harris, Steve Crowley, Catherine Streeton, Darren Wraith, John Defina*

Serono, 1999

PBAC submission for cost-minimisation analysis for drug to treat anxiety.

*Anthony Harris, Darren Wraith, Elena Gospodarevskaya*

Sirius, 1999

PBAC submission for cost effectiveness analysis for drug to lower the risk of a stroke for patients who have had a minor stroke or TIA

*Anthony Harris, Darren Wraith, John Defina*

Sirius, 1999

Cost effectiveness analysis of naltrexone

*Anthony Harris, Karen Yong, Catherine Streeton, Elena Gospodarevskaya*

Orphan, 1999

Cost effectiveness analysis of a combination vaccine for hepatitis B and HiB

*Anthony Harris, Karen Yong, Elena Gospodarevskaya*

CSL, 1999

The clinical and cost effectiveness of pharmacist involvement in wound management in community practice and nursing homes and the establishment of a wound management referral service as a mentor to the profession.

*Geoff Sussman, Ian Story, Anthony Harris*

Pharmacy Guild and Federal Department of Health, 1999-2000

Assessment and Evaluation services on medical technologies and procedures for the Medicare Services Advisory Committee

Updated on 26 September, 2006
