

MUBBEG—What is it?

Monash University Berwick Business and Education Group (MUBBEG)

The Faculty of Business and Economics is the University's largest faculty, with over 15,000 students on five campuses within Australia and two offshore. On the Berwick campus, the faculty has over 1200 undergraduate students and an active research program.

The Monash University Berwick Business and Education Group (MUBBEG) has been established to expand and improve the activities that link the university and the business and education communities.

We aim to promote collegiality amongst business leaders and education leaders, encourage synergy between Monash Berwick Campus, local schools and the business community and maintain regular contact and information sharing.

As part of our commitment to MUBBEG members we are again offering in 2009 the option of having a link from the MUBBEG website to your business website. If you are interested please tick the box on the application form.

In 2009 MUBBEG will host 5 business breakfasts (in conjunction with the Berwick Village Chamber of Commerce). MUBBEG will also host occasional educational, social and networking events throughout the year.

If you would like to become a member of MUBBEG or attend any of our events please contact Jo Prezioso and Annita Allman via email:

MUBBEG@buseco.monash.edu.au

or phone Jo on 9904 7098 and Annita on 9904 7224.

We look forward to forging closer links with the south-eastern business and education communities.
