

Sustainability in the Workplace? Who cares!

Monash University – Peninsula campus
Business Associates and **SIX STAR PERFORMANCE PTY LTD** present

Dr Mark Luther

Consortium Director

MABEL (Mobile Architecture and Built Environment Laboratory) Deakin University

How do we establish *fit for purpose* and *value for money* ways to make our workplaces more environmentally sustainable and energy efficient? Mark will present case studies outlining on-site building performance measurement and highlighting *return on investment*. He will also alert us to current government incentives designed to help us reduce energy consumption..
