Build yourself a Brighter Future

cadetships
Are you ready to build yourself a brighter future?

Seize the opportunity to complete your degree while gaining exceptional on-the-job training together with other motivated young people. Be based in the South Eastern suburbs of Melbourne and get paid while you study!

At BlueScope Steel we pride ourselves on our strong tradition of attracting, retaining, supporting and developing young talent through our cadetship program. A BlueScope Steel Cadetship is more than just a job, it’s a career with great opportunities.

What you need to know

Study Options: Our Degree Cadetships combine full and part time study.

Salary: We offer a competitive starting salary of $28,100 per annum (approx).

Education Allowance: An education allowance of $2,800 is provided each year.

Accommodation Allowance: Cadets who are required to relocate are given an accommodation allowance of $5,600 for the first 12 months of employment.

So why should I become a BlueScope Steel Cadet?

- Get paid to study
- Great salary and career opportunities
- Attend uni with a network of young people just like you
- Gain invaluable industry experience whilst completing your university degree

What we look for

BlueScope Steel offers Cadetships to students with strong academic results in their Higher School Certificate, who are about to begin, or have just started an undergraduate degree in the disciplines of Economics, Business or Commerce.

- Applicants must obtain an ATAR (UAI) of 83 or above

BlueScope Steel also offers Cadetships to existing Monash University students who have completed their first year of study in the disciplines of Economics, Business or Commerce with strong academic results.

So if you’re in year 12 or first year at uni and have a keen interest in business studies, apply now and take the first step towards building a brighter future.
