Course Map (Commencing 2016, Caulfield)

**Course Requirements**
- Students must complete units as specified in Parts A, B and C (144 points): a minimum of 96 points of business study over Part A and Part B, and 48 points of free electives in part C.
- In choosing your units you must ensure that you complete no more than 10 level 1 units (60 points), and that you complete at least six units (36 points) at level 3 of which at least four units (24 points) being Bachelor of Business listed units from the campus of enrolment.
- The course progression maps will assist you to plan how to meet the course requirements.
- Units are six points unless otherwise specified.

**Course Structure**
This is a comprehensive course, structured in three equal parts:

**Part A. Business specified study**
This will provide you with a broad foundation for your study of business and expose you to several business disciplines. It will contribute breadth to your knowledge of business and develop your understanding of multi-disciplinary decision making in organisations. It will also give you the opportunity to learn more about each discipline before finalising your choice of major.

**Part B. Business listed major**
This will provide you with a focused program of study that will develop your expertise in one discipline area. You will develop, apply and communicate an advanced level of understanding of the concepts and theoretical frameworks that constitute the knowledge base of your major area of study.

**Part C. Free elective study**
This will enable you to further develop your knowledge of your chosen major, or business more broadly, or study a second business major. Alternatively you can select units from across the University in which you are eligible to enrol.

Part C – Free elective study (48 points)

Elective units may be chosen from units available in the Bachelor of Business course, including units to extend your major or to complete a second major or minor(s). Note that at most two units may contribute towards two majors or a major and a minor.

Enrolment in Monash Business School units at campuses other than your campus of enrolment is subject to available capacity after students from that campus have enrolled. You should also be aware of travel and timetabling limitations.

Elective units may also be used to sample disciplines from across the University or to complete a major or minor(s) from another course if you have the required prerequisites and there are no restrictions on enrolment into the units.

For students in a double degree course, some units required for the other degree are credited as electives towards this Business degree.

### RESPONSIBILITY FOR UNIT CHOICE

Students are advised that, while the course advisors will endeavour to give every possible assistance and advice concerning unit choice, the onus is on students to ensure that units selected meet degree regulations and requirements.

### PROGRESSION TO HONOURS

Students successfully completing the Bachelor of Business may proceed to a one year honours program leading to the Bachelor of Commerce (Honours). To be eligible to apply for entry into the Bachelor of Commerce (Honours), students must obtain a distinction grade average (70 percent) or above in 24 points of studies in relevant discipline units at level 3. In addition, some majors require particular units to be taken for admission to honours. The details are provided with the requirements for each major to which this applies.
