### Notes

This program is accredited with CPA Australia and with The Institute of Chartered Accountants in Australia (ICAA). Provided students complete all units specified by these bodies they will qualify for associate membership of CPA Australia and entry to the CA program of the ICAA.

# AFF2051 Financial modelling will be offered as AFF2851 Accounting information systems and financial modelling from 2007 onwards. Students will complete with either of these two codes.

Retail Management is currently being ‘taught out’. Students can complete with either of the two codes listed for each unit.

* Recommended that students choose this outer core unit which is required for recognition by professional accounting bodies.

^This is the recommended course progression. It may be varied, however all prerequisite requirements must be met. Before changing the progression, first check the prerequisite requirements for all of your units and seek advice from the faculty office.
