### Notes
* Recommended that students choose this outer core unit which is required for recognition by professional accounting bodies.

# AFF2051 will be taught as AFF2851 from 2007 onwards. Students will course complete with either of these two codes.

¬ MKF1500 will be taught as MKX1500 from 2007 onwards. Students will course complete with either of these two codes.

Graduates of this program will satisfy the educational requirements for associate membership of CPA Australia and for entry to the CA Program of The Institute of Chartered Accountants in Australia provided they complete the following units in addition to the compulsory common core units: ECF1200, AFF1121, AFF2051/2851, AFF2391, AFF2491, AFF2631, AFF3431, AFF3491, AFF3631, BTF2220, BTF3931

Graduates of this program will be recognised by the new Institute of Securities Finance and Banking (formerly the Australasian Institute of Banking and Finance and the Securities Institute of Australia). Students are advised to contact the Institute of Securities Finance and Banking directly for details of levels of membership and required educational qualifications.

Students who are contemplating a career in financial planning are advised that a number of banking and finance units meet the standards set down in the Australian Securities and Investments Commission [ASIC] policy statement for the training of financial product advisers [PS146].

^This is the recommended course progression. It may be varied, however all prerequisite requirements must be met. Before changing the progression, first check the prerequisite requirements for all of your units and seek advice from the faculty office.
