Overview

Overall, students must complete a maximum of 32 units for the Bachelor of Commerce/Science double degree. 32 units must not be exceeded.

Within the Commerce component, students are required to complete 16 Business and Economics Units (96 credit points). Students must not exceed 16 units (96 credit points).

Students must complete at least four units at third year level. Two of the four third year level units must be completed as specialisation units.

IMPORTANT: Not all specialisations are available to double degree students. In some cases there is not enough room to complete the required pre-requisite units

IMPORTANT: The unit STA1010 Statistical Methods for Science is excluded from this double degree

CHECKLIST – Commerce component only

- 8 Compulsory Units completed

- Minimum of 16 Business and Economics Clayton Campus Units completed

- Minimum of 4 third year level units completed

- No more than 8 first year level units completed

- 8 Specialisation Units completed (2 units completed at second year level and 2 units completed at third year level)
