Overview

Overall, students must complete a maximum of 34 units (204 credit points) for the Bachelor of Commerce/Business Information Systems double degree. 34 units (204 credit points) must not be exceeded.

Within the Commerce component, students are required to complete 16 Business and Economics Units (96 credit points). Students must not exceed 16 units (96 credit points).

Students must complete at least four units at third year level. Two of the four third year level units must be completed as specialisation units.

IMPORTANT: Not all specialisations are available to double degree students. In some cases there is not enough room to complete the required pre-requisite units

IMPORTANT: Overall, students must complete maximum of 15 units of first-year-level units.

Overall, students must complete minimum of 10 units (60 points) of third-year-level units.

AFC2851 Accounting information systems & financial modelling is excluded from this double degree.

CHECKLIST – Commerce component only

- 8 Compulsory Units completed
- Minimum of 16 Business and Economics Clayton Campus Units completed
- Minimum of 4 third year level units completed
- No more than 8 first year level units completed
- 8 Specialisation Units completed (2 units completed at second year level and 2 units completed at third year level)
